

German-Estonian student evening in Domus Dorpatensis

Wednesday, 15th October 2014, 7 pm

in the rooms of Domus Dorpatensis (Ülikooli 7)

During the German-Estonian academic week „*Academica 2014*“ the foundation [Domus Dorpatensis](#) and the [European College of the University of Tartu](#) organize a **German-Estonian students' meeting** which is meant for Estonian students who have been studying in Germany and for German students who are studying in Estonia at the moment. The evening offers the possibility to exchange and reflect experiences made in the host country.

During the event we would like to address the following topics:

- Which were your expectations when you arrived to your host country?
- Which experiences have you made and what did you learn for your future life during the exchange?
- Did your self-perception change due to the stay abroad?
- What do you admire in your host country and what seems difficult or negative to you?
- How did your picture of the host country change?
- What remains after the exchange?

After the discussion you are welcome to stay and have some snacks and get to know each other a bit better.

The event takes place in German language.

If you would like to participate, **please register by 13th October**: by e-mail domus.dorpatensis@gmail.com or by phone (+372) 733 1345
